

Because every project is unique depending on the ideas you bring to us, it's sometimes difficult to decide on pricing without knowing more about your plans. However, we've put together the following pricing guide to help you decide what to budget for a specific project. If you have any questions, please feel free to call. Estimates are always free and you are never obligated to proceed unless you are completely satisfied that we can help you achieve your goals.

Blog Customization

What you get: The customization of the Wordpress blog template to match your corporate identity or personal style. We'll design it and make sure it looks good online. **Starts at: \$250.00 + GST.**

Brand New Website

What you get: The design and development of a 1-20 page website including e-mail services, domain name registration and one year of web hosting. **Starts: \$1500.00 + GST.**

Corporate Identity Package

What you get: The design of five or six logo prototypes, revised until the perfect logo is created plus the design of a full stationary including letterhead, envelopes, and business cards. These items can be substituted for any other items of equal or lesser value that may make more sense for your business needs. Also included is a identity style guide to help you use your logo professionally.

Cost: \$1200.00 + GST.

Basic Logo Package

What you get: If you already know what you need, bring your concepts and we'll perfect one idea into the logo you're looking for.

Cost: \$750.00 + GST.

Logo Spa Package

What you get: If your logo is tired, pixelated, or just looking stressed out, drop it off at Elbowroom Design. We'll create new logo files that will make your logo look ten years younger. **Starts: \$250.00 + GST.**

Basic Brochure

What you get: We'll design a good looking brochure for you that will impress even the harshest critics. **Cost: \$650.00 + GST.**

If what you are looking for is not on the list, please don't despair.
